I am contacting you by e mail, as you instructed, because I am unable to get into your website to make a comment. An error message keeps appearing.

I own and live at Flat 2, Oak Cottage, 41 Upper Brighton Road, Worthing BN14 9HY. My kitchen window looks directly onto the site of the proposed extension and is in close proximity to it.

If the extension was allowed to go ahead, it would block the light coming into my kitchen and depending on the design of the extension could also compromise my privacy.

I ask that you take my comments into serious consideration before making any decision.

Thank you

Jane Barrow
