To whom it may concern,

We have no objection to the planned single storey extension at 21 Myrtle Road, Lancing BN15 9HX as submitted. This includes no objection to the new brick line extending to the existing boundary line. We accept that to accommodate this, the footings will extend up to 6 inches beyond this boundary line onto our property. This is with the understanding that any disruption to this area be made good upon completion of the building works.

Yours Sincerely,

Signed, [redacted]
