Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking - Other
Comments:	The quality of the plans available online are so poor that it is not possible to comment either way on the application. Can the plans be reloaded so that they can be read clearly. On the issue of parking it appears the existing garage is being converted to accommodation? I could be wrong difficult to see. If so parking is reduced where as the application states no change.
