Dear Sir/Madam,

Change of use of former horticultural land to form part of garden of dwellinghouse ('Little Vines').

Little Vines West Street Sompting Lancing

Further to my letter to you dated 11/08/2010 in connection with the above application, I do not appear to have received a reply. I should be obliged if you would confirm whether or not you intend to proceed with the proposal.

If you wish the application to be considered, the additional information as previously requested and listed below will need to be submitted within the next 14 days:-

1 Question 3 - your reply is unclear - needs to contain simple description of what is proposed (eg. as in the heading above). Delete reference to new garage unless you are including plans and details of the garage with this application.

2 Site Plan - the site to which the proposed change of use relates needs to be outlined in red and the boundary of the rest of the property which you own in blue.

Should I not hear from you within this time, I will presume you do not wish to proceed with the proposal and treat the application as withdrawn.

Yours faithfully,

Senior Administrative Officer
