Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: This development will be a great asset to Worthing, the key to halting its decline and to its regeneration. Councillors should give this application whole-hearted support and not nit-pick for yet more amendments. If they do seek further changes, the opportunity will very soon be lost, as the major financial difficulties facing the country's economy intensify.
