TO:	Adur & Worthing Councils FAO:
FROM:	WSCC – Highways Authority
DATE:	10 February 2026
LOCATION:	2 Sedbury Road, Lancing, BN15 0LL
SUBJECT:	AWDM/0115/26 PROPOSED REAR DORMER TO ORIGINAL MAIN REAR ROOF.
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	Advice

This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

This proposal is for a proposed rear dormer to original main rear roof. The site is located on Sedbury Road, an unclassified road subject to a speed restriction of 30 mph.

The LHA does not anticipate that the proposals would give rise to a material intensification of movements to or from the site. Existing access and parking arrangements will be unaffected by the proposals.

In summary, the LHA does not consider that this proposal would have an unacceptable impact on highway safety or result in 'severe' cumulative impacts on the operation of the highway network, therefore is not contrary to the National Planning Policy Framework (paragraph 116), and that there are no transport grounds to resist the proposal.
