Comments: As a frequent user of the co-op on the high street I am pretty dissapointed weith this development, which is clearly an after thought alas retrospective planning. The development is an eye sore and is blocking light frmo the gardens nearby and it not in keeping wiuth the conservation area. They are already in breach of planning and worth mentioning the metal extended structure that sat in it's place was built on land that was not owned or leased by Co-op. Another example of a

big company doing what they like. I urge this to be rejected for our community and the growth of keeping our town green and growing not full of ugly towering structures.
