Comments: I wish to object to this development as being completely contrary to the character of the neighbourhood, which consists of listed and conservation cottages. The development, though listed as 'High Street' is actually a considerable way into Church Street and overbears the surrounding cottages. Both listed and conservation cottages in the Street are not permitted to have any roof additions such as solar panels, Sky discs etc as they do not comply with planning regulations. We, in the street, respect your regulations and comply with them. I

urge you not to concede to this appeal which is already in breach of the Council's planning approval.
