Pat,

Please find report attached.

After I looked further at the 2 applications that I mentioned to you on the phone, it is only this one, for the summerhouse, which needs yr agreement. The objection to the other one was not relevant to the actual proposal!

As you can see, the only objection given to the summerhouse is on grounds of overlooking – which Peter, as the case officer, does not consider justified.

If you are satisfied, please email me to say that you agree that it can be dealt with under our delegated powers.

Regards

Keith
