Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment - Privacy Light and Noise
Comments:	This building planned will create less light for us within our garden and home , and create excessing noise and dust . Due to both noise and excessive dust and debris this will incur great upset to daily life. We do not want to live in a darkened garden plagued by darkness and a summer of dust where by we have to keep all our windows and doors shut .

Kind regards
