To: "planning@adur-worthing.gov.uk" <planning@adur-worthing.gov.uk>

Address: 6, Ingleside Crescent, Lancing Village BN15 8EN.

Mr . W. Greenham-Humphreys & Mr J. J. Loughran both residents at the above address..

Dear Sir/Madam,

We would like to raise our objections to the above application as we feel it is detrimental in terms of appearance as it over looks our garden. We also have concerns over noise levels as even a low drone noise may deprive us of sleep/rest/relaxation and deprive us of the residential use of our garden. Mr Greenham-Humphreys is now disabled and has to spend long periods in bed and I am very concerned that the noise may indeed deprive him of rest and relaxation in his old age and the environmental impact on our living is quite significant.

Perhaps they could explore internal air conditioning as this might be more efficient and have less impact on neighbours.

Thank you for your time and help,

W. Greenham-Humphreys & J.J. Loughran
