Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Design
Comments:	As discussed with nr 6 At certain point the fence reach 2.6 m as they like to maintain 1.8 m on their side. Would be good if they can maintain1.6 m or if it is 1.8 m to have the top part of the fence open as privacy is not an issue as it is the back part of the garden.

Kind regards
