Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:
- Design
- Overdevelopment
- Privacy Light and Noise

Comments: I feel the proposed development will be too imposing as a structure. The windows of which on west and north aspect directly overlook our premises and will lead to an unacceptable loss of privacy. Having a recent planning application declined by this office in June 2014, due to the structure being too imposing, I expect this office to be consistent and decline the application.
