Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Privacy Light and Noise - Trees and Landscaping
Comments:	I'm currently Working abroad until 1st of July and want to return home to see how this affects light into our room on the eastern wall of our property and our privacy of garden. This is a very large extension and I need to look in more detail. I would also like elevation heights. This is a temporary objection until I return home to have a closer look.
