Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	I object due to the increased noise pollution , unacceptable increase in traffic, the visual appeal of the area and finally the land was designated for local wildlife and this change of use would completely disrupt that. I have lived in Goring and Ferring my whole life and this area means too much to the local residents to allow any building or planning applications to be made in the land.

Kind regards
