Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	This development is unnecessary, unwanted and completely at odds with the traditional seaside experience that Goring-By-Sea offers and families want. There are 2 Cafes within easy reach of this strip of land and nearby toilet facilities. If granted this could be the "thin edge of the wedge" allowing the property developers who owned most of the Goring Gap to try again and again for permission to build 1000's of houses on this agricultural land. Please do not allow this to happen. Save Our Goring Gap! Thank you. Peter and Marilyn Green.
