Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment - Privacy Light and Noise
Comments:	This is currently any area of retirement people who are quite happy living without the amenities of alcohol, music and loud noise being played on their doorstep. If people want these amenities they can go nearby to Worthing. Currently this area is used a lot by kite surfers, family gatherings, dog walkers and swimmers and is very popular. The last thing we want is noise from drinkers and music.

Kind regards
