TQ 20 NW 3/45a

SH0REHAM-BY-SEA THE STREET, OLD SHOREHAM (east side) Barn to N.E. of Old Shoreham Farmhouse

GV II

Late C18 to early C19 barn. Flint walls with red brick quoins and ventilator dressings; plain tile roof. Five bays with central full-height waggon entry in each long elevation; two tiers in two bays of red brick ventilator slits each side of waggon entry. Ventilator slits also in end gable. Interior with diagonal butt purlin roof.

Listing NGR: TQ2093005997

The barn itself has previously been converted into two semi-detached homes; “The Barn”, and “Haymakers”.

The main works proposed in this application apply to a modern rear extension, built with traditional materials and finished with a lead roof.

The newly proposed works have been sympathetically designed, and will still feature traditional materials such as timber windows, and a lead roof.
