rebecca pearson [redacted] 27 November 2019 at 13:06
To: planning@adur-worthing.gov.uk

On behalf of Alexander Hole at Lancing Perch, the application for the light poles at beach green would be of great benefit to the security of our staff working at the Perch and also our customers, we would have no objection to this going ahead and would embrace the extra security it would provide in the area.

Kind regards,

Rebecca Pearson
PA to Alexander Hole
