PLANNING SERVICES

Dear Mr. Porter,

Having viewed the proposed plans for 10 Winterton Way and referring to drawing 'Proposed South Side Elevation'. We will be overlooked by the Ground Floor South facing Bedroom window and the two kitchen windows. For our Privacy obscure glass windows would be more suitable in all 3 windows.
Kitchen & Dining areas can be particularly busy!
It will all be much closer to us due to the demolition of the existing conservatory and the extension of the South Wall!

Yours sincerely,

[redacted]

Mr. Mrs D. [redacted]
