Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment
Comments:	The Kingston Wharf site has not been designed to harmonise with its surrounding environment. The eight storey block is too high and will over dominate the area. It is not in keeping with the Victorian architecture in the immediate area, including the lighthouse. The character of the area, including the local conservation area, will be adversely affected.

Kind regards
