Dear Ms O'keeffe

Your ref AWDM/0312/15

I have tried on numerous occasions to telephone you without success. Qiute frankly you should not put your name on a letter if you cannot be reached. I have lived at 4 Rosecroft Close for nearly 28 years and have never been referred to as the owner/occupier.

I do not know why you have written to me. If Mrs Gwendoline Coles wants to construct a new landing ramp with handrails and extend the footpath then surely this is up to her. I will only be affected if one of the garages is demolished and if the noise from the work goes on for too long. To get some idea of what you are talking about I visited the site but was appalled at the amount of rubbish which was lying around so I did not hang around. Other than that I have no comment to make.

Yours sincerely

John Bowles
