Dear Mr Rodway

I write with reference to the above planning application.

I note that there are several examples of front dormers in Garden Close but I consider the current proposal to be too wide and out of proportion. I would like to see its width reduced by 1m to result in a less dominant addition which will also have a better proportion of glazing to tile hanging. The dormer at 6 Garden Close is a similar example of what would be more acceptable.

I shall be grateful if you would submit an amended plan by 21 May.

Please contact me if you would like to discuss the matter.

Yours sincerely

Peter Barnett
