15 HEBE ROAD, SHOREHAM-BY-SEA
ALTERATIONS/EXTENSION TO SUPPLY DWELLING HOUSE

DESIGN AND ACCESS STATEMENT

1. **USE**
   1.1 The existing use of the building is a single dwelling house (and garden) at end of terrace.

2. **AMOUNT**
   2.1 The proposals involve internal alterations and extension at ground and first floor levels.
   2.2 The ground floor extension is 8.89m2. The first floor extension is 6.93m2 (inclusive of dormer).
   2.3 The extension size is compliant with the District Council's Development Control standards.

3. **LAYOUT**
   3.1 the layout is shown on drawing no. 2455/3.
   3.2 The intention of the proposal is to provide improved facilities for the building.
   3.3 The opportunity is taken to demolish the unsatisfactory rear lavatory extension and provide a lavatory compliant with current requirements and with access from the hall.
   3.4 The kitchen is relocated and an additional bathroom provided, allowing the existing bathroom to become en-suite with the main bedroom.

4. **SCALE**
   4.1 It is considered that the overall scale of the terrace is not affected by the extensions.
   4.2 The dormer is of appropriate scale and location in relation to the roof slope.

5. **Landscaping**
   5.1 The garden area is upgraded as shown on drawing no. 2455/3 by means of a patio area bordered by flower box walls.

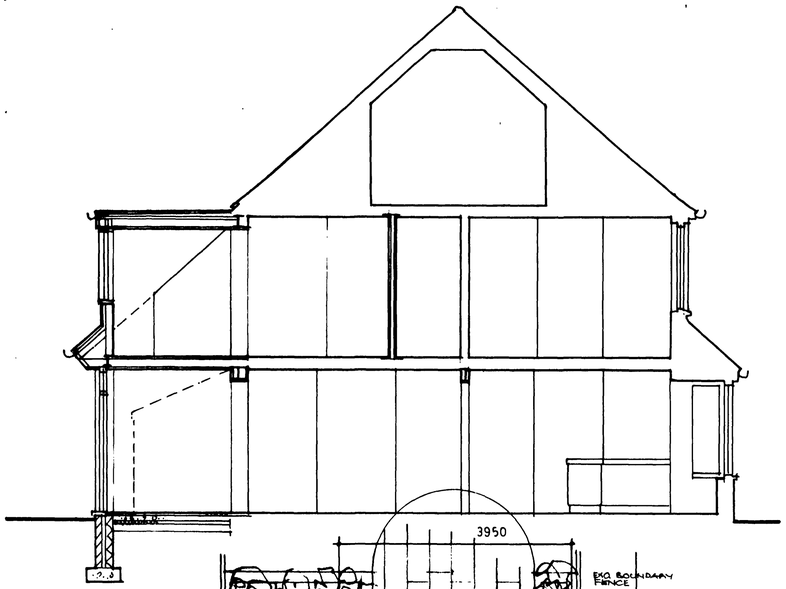

6. **Appearance**
   6.1 As this is an end of terrace property the extension is more easily located to ensure that neighbouring properties are unaffected.
   6.2 The ground floor extension is of modest size and the 'cat slide' roof to the first floor extension is designed to create minimum impact.
   6.3 It is considered that the proposed arrangement creates an interesting and attractive 'stop end' to the terrace.
   6.4 The materials for roof and walls would match existing. Windows and doors would be powder coated aluminium.

7. **Access**

7.1 The main pedestrian access on the north side of the building remains as existing: The new proposals do not affect access.

7.2 There is a pathway routed alongside the west boundary of the property which does provide a rear access.
