Dear Sir

Application for consent under Worthing Tree Preservation Order No7 of 2008 to reduce radial spread by up to 3-4 metres, one Tulip tree T2 + to fell and replace one Purple leaved Plum tree T3.

I welcome the application to reduce the radial spread of the Tulip Tree located in the garden of 18 Church Road. The tree overhangs into my garden at 20 Church Road. The increase in the size of the canopy in recent years has led to the tree increasingly imposing on my garden which in turn has led to a decrease in light. In my opinion the tree has become too big for its surroundings and has become a nuisance. The height appears to be unacceptable for a residential garden.

Yours faithfully

Mrs Jennifer Glencross.
