Dear Sir/Madam,

Proposal: Change of Use from Class E to Sui Generis (Laser Treatment Service, including Laser Hair Removal).
Site: AWDM/1453/23: - 42 Brunswick Road, Shoreham-by-sea, West Sussex, BN43 5WB.

Thank you for your letter dated 20 October 2023.

Southern Water requires a formal application for a connection to the public sewer to be made by the applicant or developer.

To make an application visit Southern Water's Get Connected service: developerservices.southernwater.co.uk and please read our New Connections Charging Arrangements documents which are available on our website via the following link: southernwater.co.uk/developing-building/connection-charging-arrangements

The Council's technical staff and the relevant authority for land drainage consent should comment on the adequacy of the proposals to discharge surface water to the local watercourse.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.
