As a tennant of Mr. Gerry Healy. Living at 16. King Charles Place and have been for ten years, I feel the proposed works at no17 King Charles Place would only increase noise levels and disturbance to our daily lives. Since it's become a. AirBnB we have already complained about noise outside, upstairs noise & the smoking outside because we sleep 9/floor. Weekends is 'our time' as for most working couples.

Obviously we would like all

THESE FACTORS TAKEN INTO ACCOUNT BEFORE ANY DECISION IS MADE.
