Dear Ms Morin

WORTHING SOCIETY CONSULTATION RESPONSE

AWDM/0934/24 - GORING HALL HOSPITAL, BODIAM AVENUE, WORTHING BN12 5AT

Listed Building Consent to Rebuild section of existing former orchard wall

Thank you for requesting our comments in respect of the above Planning Application.

I have now had the opportunity to discuss the application with our Heritage team and we have the following comments:

The proposed works are located within the curtilage of the Grade ll Listed Goring Hall which forms a significant element in the Goring Hall Conservation Area. We have no objection, in principle, to the proposed works which are somewhat outside our remit. However, we do consider that these walls make a positive contribution to the historic layout and integrity of the original Goring Hall estate. Perhaps it may be possible to incorporate some of the original materials into the rebuild.

In summary, we suggest that close attention be made to ensuring the appropriate brick materials and mortar are used to minimise 'harm to the setting of the Grade II Listed Goring Hall'. We respectfully suggest that the advice of the Conservation Officer may be necessary.

I hope this is helpful.

Yours sincerely,

Susan Belton
