Dear Ms. Parsons

16th May 2011

Town and Country Planning Act 1990
The Worthing Tree Preservation Order No. 11 of 1989
Belsize House, 2 Belsize Road, Worthing

Further to our meeting on 12th May 2011, I enclose the relevant application forms to enable you to apply for consent for the following revised tree works at 2 Belsize Road, as discussed:

Lime tree T3: Reduce crown spread to leave a new total diameter crown spread of 8 metres to suitable growth points, and remove epicormic growth;

Lime tree T4: Reduce spread on north side towards 2 Belsize Road by 2 metres, and reduce spread on south side to give a clearance of 1 metre to the adjacent building, Greentrees, Lansdowne Road, to growth points;

Sycamores T5 and T6: Reduce radial spread to the north by 2 – 3 metres, to leave a new radial crown spread of 6 – 7 metres, reduce radial spread on south side to clear adjacent buildings by 1 – 2 metres, to growth points;

Cherry T7: Reduce by 2 metres.

Reasons: General maintenance to tidy the trees and improve their appearance and amenity value, and to remove branches that are encroaching onto adjacent buildings.

The heading on the application form 'Application for works to trees under a tree preservation order (TPO)' applies in this case.

Upon receipt of the application consideration will be given to it as soon as possible.

I trust that this advice is of assistance.

Yours sincerely

H. Barnes-Moss
