APPLICATION NO. WB/10/0472/FULL

TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING GENERAL DEVELOPMENT PROCEDURE ORDER 1995

Mark Folkes
Folkes Architects
The Design Studio
94 High Street
Arundel
West Sussex BN44 3RD

PROPOSAL: Development comprising 1 No. detached two storey, 4 bedroom property.

LOCATION : Land South of 2 Madeira Avenue Worthing

DATE REGISTERED 6th July 2010

APPLICANT : Leigh Property Investments Ltd

WORTHING BOROUGH COUNCIL, under the above Act and Order, gives you notice that its decision upon your application described above and in plans 0909/1.01; 2.60; 2.61; Arboricultural Impact Appraisal and Method Statement which accompanied the application, or as subsequently amended prior to consideration, is to

GRANT PERMISSION subject to the following conditions:-

1. The development hereby permitted shall be begun before the expiration of 5 years from the date of this permission.

   Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

Cont...

[redacted]

Dated : 24th September 2010

Executive Head of Planning,
Regeneration and Wellbeing

Note: Your attention is drawn to the notes and advice overleaf.

2. The development hereby permitted shall be carried out in accordance with the following approved plans: - 0909/1.01; 2.60; 2.61; Arboricultural Impact Appraisal and Method Statement.

   Reason: For the avoidance of doubt and in the interests of proper planning

3. Other than the proposed new pedestrian access hereby permitted, the existing brick and flint dressed boundary wall fronting Madeira Avenue and Brighton Road shall be retained in situ. No development shall take place until there has been submitted to and approved in writing by the local planning authority a plan indicating the design, materials and appearance of the:- (i) piers/gate to the new pedestrian access, (ii) the boundary treatment to be erected on the north and eastern site boundaries. Thereafter, the boundary treatment as agreed in writing shall be completed before the dwelling hereby permitted is occupied.

   Reason: In the interests of visual amenity and to comply with saved Policy BE1 of the Worthing Local Plan.

4. The dwelling shall not be occupied until the parking space shown on the submitted plan has been provided in accordance with construction details to be submitted to and approved in writing by the Local Planning Authority. The area of land so provided shall not thereafter be used for any purpose other than access and parking of vehicles incidental to the use of the proposed dwelling.

   Reason: To ensure adequate provision for parking clear of the highway and to comply with saved Policy TR9 of the Worthing Local Plan.

5. Secure, covered cycle storage shall be provided within the curtilage of the site, precise details of which, including their number and siting, shall be agreed in writing with the local planning authority prior to the commencement of the works. Such agreed facilities shall be provided on the site prior to the dwelling hereby approved being occupied and shall thereafter be retained for such purposes.

   Reason: To encourage and provide for a non car mode of transport to and from the site in accordance with PPG13.

6. No development shall take place, including any works of demolition, until a Construction Method Statement has been submitted to and approved in writing by the local planning authority. Thereafter the approved Statement shall be implemented and adhered to throughout the entirety of construction period. The Statement shall provide for: -

Cont...

(i) the parking of vehicles of site operatives and visitors;
(ii) loading and unloading of plant and materials;
(iii) storage of plant and materials used in construction of the development;
(iv) the erection and maintenance of security hoarding;
(v) wheel washing facilities;
(vi) measures to control the emission of dust and dirt during construction;
(vii) a scheme for recycling/disposing of waste resulting from demolition and construction works.

Reason: In the interests of highway safety and amenity.

7. No work for the implementation of the development hereby permitted shall be undertaken on the site on Sundays or on Bank or Public Holidays. On all other days such work shall only be implemented between the hours of 8.00 a.m. and 6.00 p.m. inclusive.

Reason: To safeguard the amenities of the occupiers of neighbouring properties.

8. No development shall take place unless and until there has been submitted to and approved in writing by the Local Planning Authority a scheme of hard and soft landscaping, which shall include: - (i) indications of all existing trees and hedgerows on the land, (ii) details of those to be retained, together with measures for their protection in the course of development, and (iii) details of any trees to be removed along with details of replacement tree planting. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner, and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation. All hard landscaping shall be provided prior to the occupation of the development hereby permitted.

Reason: In the interests of visual amenity and the environment and to comply with saved Policy BE1of the Worthing Local Plan.

Cont...

9. No development, including site works of any description, shall take place on the site unless and until all the existing trees to be retained on the site have been protected in accordance with an arboricultural method statement and tree protection plan (to include protection measures during and after construction and any construction exclusion zones) in accordance with BS5837:2005 which shall have been submitted to and approved in writing by the local planning authority and shall include any proposal for pruning or other preventative works. Within the areas so protected the existing ground level shall be neither raised nor lowered and no materials, temporary buildings, plant, machinery or surplus soil shall be placed or stored thereon or bonfires take place without he prior written approval of the Local Planning Authority. If any excavations are required in the fenced off areas they shall be undertaken and backfilled only by hand and any tree roots encountered with a diameter of 25 mm or more shall be left unsevered.

   Reason: To protect the trees from damage and to comply with saved Policy BE1of the Worthing Local Plan.

10. No development shall be carried out unless and until a schedule and samples of materials and finishes to be used for the external walls and roof (including tile hanging, ridge and hip tiles) and of the proposed building have been submitted to and approved in writing by the Local Planning Authority. Prior to the commencement of the flintwork panels on the building a sample indicating the style of flintwork (e.g. whether coursed cobbles/field boulders/knapped flints) and the colour, texture and pointing style of the mortar, shall be constructed on the site and inspected and approved in writing by the local planning authority. Thereafter, the building shall only be constructed in accordance with the agreed details and sample panel which shall be retained on site until the development has been completed.

    Reason: In the interests of visual amenity and to comply with saved Policy BE1 of the Worthing Local Plan.

11. The development hereby permitted shall not be carried out unless and until a specification detailing the materials, colour and external finishes, and a sample and/or drawing(s), and section(s) of the proposed windows at a scale not less than 1:5, detailing the dimensions/profiles/proportions of the frame(s) and glazing bars, the pattern of opening windows, the position of any trickle vents, the set back of the window from the external wall face; and the window sills have been submitted to and approved in writing by the local planning authority. Thereafter the windows shall only be carried out in accordance with the agreed details.

    Reason: In the interests of visual amenity and to comply with saved Policy BE1 of the Worthing Local Plan.

Cont...

12. No development shall take place until the applicant has secured the implementation of a programme of archaeological work comprising a 'watching brief' in accordance with a written scheme of investigation which has been submitted by the applicant and approved in writing by the Planning Authority.

    Reason: The site is of archaeological significance and it is important that it is recorded having regard to PPS5 'Planning for the Historic Environment'.

13. The windows/door in the north side elevation of the dwelling hereby permitted shall at all times be glazed with obscured glass.

    Reason: To prevent overlooking and to comply with saved Policy H18 of the Worthing Local Plan.

14. Prior to the commencement of the development hereby permitted, a specification detailing the materials, colours and external finishes and drawing(s) and section(s) at a scale not less than 1:5 showing the detailed design and profile(s) of the dentil band above the entrance door, the chimney, curved fanlight and entrance door, decorative tile hanging and bargeboards, have been submitted to and approved in writing by the local planning authority. Thereafter the development shall only be carried out in accordance with the agreed details.

    Reason: In the interests of visual amenity and to comply with saved Policy BE1 of the Worthing Local Plan.

15. The dwelling shall not be occupied unless and until a final Code Certificate from an accredited assessor has been submitted to and approved by the Local Planning Authority to certify that the development hereby permitted has been designed and built to achieve at least Level 3 of the Government's Sustainable Homes Code or any equivalent successor.

    Reason: To ensure the development optimizes the potential for sustainable design and construction having regard to 'Planning and Climate Change: Supplement to PPS1'.

16. The development hereby permitted shall not be commenced unless and until details of the proposed surface water drainage and means of disposal have been submitted to and approved by the Local Planning Authority. No building shall be occupied until all drainage works have been carried out and completed in accordance with such details as approved by the Local Planning Authority.

    Reason: To ensure that the proposed development is adequate drained.

Cont...

17. If during development, any visible contaminated or odorous material, (for example asbestos containing material, stained soil, petrol/diesel/solvent odour, underground tanks or associated pipework) not previously identified, is found to be present at the site, then no further development (unless otherwise agreed in writing with the Local Planning Authority) shall be carried out until it has been investigated by the developer. The Local Planning Authority must be informed immediately of the nature and degree of the contamination present and a method statement detailing how the unsuspected contamination shall be dealt with must be prepared and submitted to the Local Planning Authority for approval in writing before being implemented.

    Reason: In the interests of environmental protection and public safety and to comply with 'Planning and Pollution Control: PPS23'.

INFORMATIVES

Reasons for Approval

1. Although the site is undeveloped in appearance it constitutes 'previously developed' land within the curtilage of the former Sandhurst School. The proposal to provide a 4-bedroom family dwelling house would help meet a need for family houses identified in the Council Strategic Housing Market Assessment (SHMA). The siting, massing, orientation, layout, architectural composition and traditional detailing of the proposed dwelling would complement the residential character of Madeira Avenue and satisfactorily address the Brighton Road frontage; it is compatible with the retention of important trees on the site and preserves the setting of the nearby Local Interest Buildings and the Farncombe Road Conservation Area. The proposed development can take place without adversely impacting on the residential amenities of the occupiers of neighbouring properties and without detracting from highway safety. It therefore does not conflict with saved Local Plan policies RES7, BE1, TR9, H18 or national planning policy contained in PPS:1, PPS:3, PPS:5 and PPG:13.

This information is only intended as a summary of the reasons for grant of planning permission. For further details on the decision please see the application report which is available from the Planning Reception at Portland House, Richmond Road, Worthing.
