Stance: Customer objects to the Planning Application

Reasons for comment:
- Design
- Overdevelopment

Comments: Dormer oversized makes Bungalow appear to look like a house from rear. Light oak cladding not in keeping with other dormers in area which are tile hung.
Juliet balconies not required in design, oversized as three panel door, this would cause more noise from bedrooms.
This dormer looks straight into numbers 23 and 25 as well but they have not be informed.
