MEMORANDUM

To: Gary Peck

Application Number: AWDM/1321/18

Proposal: Variation of condition 24 of AWDM/1614/15 relating to amended drawings for the design and construction of the Environment Agency's Shoreham Adur Tidal Walls Scheme at Riverbank Reach (Reach W7).

Location: Foreshore North Of Adur Outdoor Activities Centre And East And West Of River Adur Brighton Road Shoreham-By-Sea West Sussex

Observations:

Gary

I have no issues with these proposals – the old ditch line was never cleaned by the airport tenant and from that point of view its removal is beneficial.

Has any thought been given to the ditch layout that New Monks Farm and the airport developments anticipate discharging to and from using their pumping station?

Regards

Ken Argent.
