Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Loss of General Amenity - Privacy Light and Noise
Comments:	Correction to my previous comment: After careful measuring it appears that the proposed new buildings will be only 1.3m (minimum) from my boundary at second floor level My previous estimates of 1.6m relied on the submitted drawings that do not show the non-linearity of the boundary line correctly.

Kind regards
