Subject: RE: New beach hut application

Good morning Keith,

Thank you for your email.

Document -2

With reference to the application for planning permission to erect 15 beach huts in the vicinity of Shopsdam Road and on behalf of the Council, I request that the previous application, ADC/0116/10 be withdrawn.

I would also confirm that the huts will be placed on the more traditional foundations of wooden rafters. There will be no concrete bases.

I hope that this email is sufficient for your purposes.

Regards,

Colin

Colin,

I refer to yr new application and yr accompanying letter of 30 Nov.

You state that it replaces the previous application ADC/0116/10 but it is necessary for you to formally withdraw that application. Please can you confirm this.

On the proposals, please can you also confirm whether or not concrete bases are still proposed.

Thanks,

Keith
