Dear Keith,

Re. Shopsdam Road, planning application ADC/0116/10 re-submission.

Please find enclosed three copies of a planning application regarding permission to erect beach huts on the Lancing beach foreshore close to Shopsdam Road.

This replaces the original application for three blocks of ten huts submitted earlier this year (ADC/0116/10) and represents the Council's compromise to the original application.

I understand from your email of 23rd September that no more fees are required and I shall therefore be grateful if you will process these applications in the normal manner.

If you require any further information or details then please contact me accordingly.

I look forward to hearing from you in due course.
