Comments Details

Commenter Type: Parish Council

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: The Council objects to this application on the following grounds as it considers front dormers do not relate sympathetically in design, form and scale to the existing building and are out of scale and character with neighbouring properties.
It also considers the Juliet balcony is un-neighbourly generating a level of activity prejudicial to the present character of the area and detrimental to the amenities of existing properties in the locality.
