Hi Eve,

you could put a condition on the hours of use of the outside seating area, perhaps closing at 11pm, and a condition allowing only background music.I may have some wording for this condition somewhere if this will help?

Hi Michael

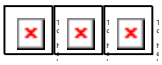

We have received a couple of objections to this one from nearby residential property's, who are anxious that there will be more noise and music be relayed to the outside of the pub.

Sussex Police have also raised concerns regarding the use, can you access i@w to view their comments?

Do you have any comments/suggestions etc. regarding this proposal?

Eve
