Dear Sir/Madam,

**Proposal:** Amendment to approved application AWDM/0676/20, including adjusted house position, enlarged footprint to the rear and altered roof and front dormer design. 4no. photovoltaic panels to roof, 2no. parking spaces and external refuse and cycle stores.
**Site:** AWDM/1821/20: - 84 Southview Road, Southwick, Brighton, West Sussex, BN42 4TT.

Thank you for your letter dated 20/11/2020.

Southern Water requires a formal application for a connection to the public foul sewer to be made by the applicant or developer.

To make an application visit: developerservices.southernwater.co.uk and please read our New Connections Services Charging Arrangements documents which are available on our website via the following link: southernwater.co.uk/developing-building/connection-charging-arrangements

The Council's Building Control officers or technical staff should be asked to comment on the adequacy of soakaways to dispose of surface water from the proposed development.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.

Southern Water Services Ltd, Registered Office: Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX Registered in England No. 2366670
