This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

I refer to your consultation in respect of the above planning application and would provide the following comments.

The LHA has been re-consulted on this application following submission of additional information. The proposed drawing demonstrates designated areas for loading and unloading, storage of material and parking for contractors and visitors. Security hoarding fence will be erected around the construction site. The details submitted would be considered adequate to meet the requirements of condition 8.
