Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Other - Overdevelopment - Privacy Light and Noise
Comments:	We currently object the planning. 1. There will be light and noise pollution for residents including Guildford Close. What are the store opening hours? Will there be a restriction of when they can get deliveries? 2. There will be further issues with parking in Guildford Close as people will use it. 3. How high will the building be? This will have an impact of natural Liga into our property and garden. 4. The garage area of Guildford Close is private land so no foot access can be allowed here as it compromises our privacy and security.
