Dear Ms J. Moin,

Your reference WB/11/0178/Full.

I write to comment on the above proposal - in particular the proposed first floor side extension.

The houses in Cissbury Drive are large given that the majority of properties in the area are bungalows (as ours is). We are already overlooked by No 9 Cissbury Drive and its neighbours which are on rising ground.

The proposed first floor extension would almost fill the present first floor space between No 9 and no. 11 which would we think give the effect of 'terracing' i.e. an almost solid line of houses which, we think, would be undesirable. We are not aware of other properties being developed

in this area in that way.

We think such a proposal would be out of character in this area.

Yours sincerely
