WORTHING SOCIETY CONSULTATION RESPONSE

AWDM/1519/23 - 18 HIGH STREET, WORTHING, WEST SUSSEX BN14 7NN

Thank you for requesting our comments on this planning application and we apologise for the delay in replying due to the Christmas and New Year breaks plus pressure of work.

This building, once known as The Gospel Hall, circa 1850, is locally listed and is within the West Tarring Conservation Area. Following its original conversion into private accommodation it was put up as a contender for the Distinction in Buildings Award run by Worthing Borough Council and won a well-deserved Award. Having discussed this application with the Chairman, Susan Belton, and members of the Heritage Team we do not feel that the proposed roof extension will adversely affect the street scene and therefore recommend it for approval.

I hope this information is helpful when making your decision.

Yours sincerely
