Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for the variation of condition 7: (electric vehicle charging point) of approved AWDM/1458/19 to relocate parking space and EV charging point. Original description: Construction of attached 3 bedroom two-storey dwelling to west elevation. The application is to Adur District Council.

Following a review of the submitted information, we have noted no change to drainage or flood risk and therefore would **recommend the approval of the application**.
