MEMORANDUM

To: Peter Barnett Application Number: AWDM/0601/15

Proposal: Application for a Minor Material Amendment to planning permission AWDM/0501/12 to increase height of retaining wall to infilled slipway at Surry Hard by 0.3m.
Location: Former 79-81 Brighton Road Shoreham-By-Sea West Sussex.

Observations:

Peter,

This development and this section of the wall forms part of the River Adur Flood Protection, the developer was advised some time ago that the wall as currently constructed was too low.

This application needs to receive approval from the EA about the adequacy of the proposed level before I comment on the adequacy of the proposal, itself.

Regards
Ken Argent
