re: Application to vary condition 1 and 12
Cecil Norris House, 2, Ravens Road Shoreham-by-Sea

My name is Julia Gill and i own "Aurigny", Queens Place, Shoreham which is situated at the west end of the above buiilding site. I am concerned about the changes and would be obliged if you could send me a plan and picture of the windows and bins before and after the changes. My garden will be overlooked by any windows and people will be able to see directly into my kitchen.

I have tried to see plans at Shoreham Community Centre but they say that they have none, I also left a telephone message to you last week.

Many thanks

Julia Gill
