Dear Mr Appleton

Your Ref: ADC/0426/10
Proposed Development at 14 Milton Drive, Southwick, Brighton, West Sussex

As I live at the rear of the proposed new development I most strongly object to such a large building going up overlooking my house.

I am 92 years old and I am up at all times of the night. This building would take away all my privacy.

If you wish to see my house at any time you may do so and I know the plan will be rejected.

Yours sincerely
