Re planning Reference A WDM/0954/25 Marine View Hotel.

Dear Sir

I am objecting to this application as a business owner. Often I get business from this hotel, and I have clients who own various restaurants, including the Crab Shack, who also get trade from them.

We need this to stay as a hotel - we often have shortages in Worthing for this accommodation - I hear this regularly from customers. We have lost over the years many Bed & Breakfasts and a smaller hotel is often a little cheaper than say the Burlington.

I work in Rowlands Road and often see so much agro from people living in HMO's / children's homes. I know they have to go somewhere - but directly on the seafront - No. Please help us to stay a nice town to visit and people to contribute to our business economy.

Yours faithfully

owner
