Subject: Discharge of planning condition 15 - Fire Hydrants Unit 1 North Block Hm Revenues And Customs Barrington Road Worthing West Sussex

FAO: Stephen Cantwell

Dear Stephen,

Providing the fire hydrants indicated on the plan submitted for this site are in place, ready for use and West Sussex Fire & Rescue Service (WSFRS) are informed they are ready for operational use, prior to any occupation of any dwelling on the site, the hydrant condition raised will be met and the condition discharged. Unfortunately, on too many occasions new housing estate properties are occupied prior to WSFRS being informed fire hydrants are ready for use, which then puts lives and properties at risk in the event of a fire.

Regards

Ian
