Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment: - Design

Comments: Just one aspect of the design at number 17 we would like changed.
The side door that opens to the west at the back of the 'garage' opens out directly in front of our bathroom window. Suggest the door is moved to the other end of the little 'room' at the back of the garage. It would then open out to face our bedroom wall, to which we have no objection.
