Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	To the Development Management Section. we are situated in very close Proximetry to the above mentioned property, we would like the architect to review application to putting balconies and windows to the south of this property as we will be completely over looked rendering our bedrooms and bathroom on first floor no privacy, also our garden witch will be over looked and are young children will have no privacy and kitchen and conservatory will have no privacy either so please put forward our objections yours faithfully Jayne Ellis
